

All In One Solar Street Light

Model : EN120W

Model	EN-120W	
Solar panel(mounted)	Max. Peak Power	140W, mono-crystalline, high efficiency
Battery(built in)	Type	Lithium iron phosphate battery(680.8Wh LFP)
LED Lamp(with sensor or timer setting)	Max.Power	3030 led chip 6*60units
	LED chip brand	Bridgelux
	Lumen(lm)	12000lm
	Life time	100000 hrs
	Lighting angle	120°
Charging time	by solar	6-10 hrs (peak sunshine)
Lighting time	with sensor	with 3 rainy days.
Remote Control	Work mode: 1. ON/OFF, 2. Demo, 3. L(Light control+12 hrs), 4.T(Timing control 6 hrs). 5. U(timing + Microwave control). 5. M(Microwave control)	
Working temp.	(°C)	-25°C ~ +65°C
Color temp.	(K)	6000k-6500K(optional)
Suggest height	(m)	7-8m. (suggested mounting 60-65mm. dia.)
Suggest distance between lights	(m)	20-30m.
Material	Aluminium alloy	
Certificate	CE / ROHS / IP65	
Size & weigth	Lamp size	1800*385*65mm. (LED) 585*125*320m(support)
	Lamp weigth	25.2kg
